Dear Sir or Madam,

Thank you for your inquiry regarding the possibility of an economic development loan to you or your company from the Aurora Township Community Development Assistance Program (CDAP). The CDAP is a revolving loan (RLF) fund that has helped create over 1,000 jobs in the township.

There are currently funds available in the revolving loan fund. The funds are typically used to loan funds to companies locating or expanding in Aurora Township to acquire land, buildings, and equipment.

Projects eligible for the loans will be job creation or retention projects that benefit at least 51% low-to-moderate income individuals. Each project shall create or retain at least one job for every \$15,000 loaned. Job creation shall take place within 1 year of loan disbursement.

Project funds loaned will be secondary to either conventional bank or other non-CDAP financing, and the CDAP funds typically will not exceed 1/3 of the total project cost (or at most 50% of the project cost). If you or your accountant needs further information regarding our guidelines, please let us know.

If you are interested in our program and would like additional information or to receive an application packet in the mail, please give us a call at 630-897-8777.

Very truly yours,

**Christina Campos  
Aurora Township Supervisor**
